## THE MAD HATTER

A Douglas College Newsletter  
published weekly during the spring  
and fall semesters, bi-monthly in  
the summer semester  
by

Douglas College Technical  
and Vocational Institute  
P.O. Box 2503, New Westminster, B.C.  
Editor: Judie Steeves, Surrey campus  
Telephone: 588-4411, loc. 283

### MS.ED'S NOTES:

Just to clarify a few items which  
have gone in previous Mad Hatters  
regarding submissions:

Deadline: the Thursday morning  
before Monday publication.

Unless it is something earth-  
shattering, nothing longer than  
one 8½ x 11-inch page to be carried.

No lengthy reprints from other  
publications.

No photocopied brochures or  
flyers.

All reports, notices, and letters  
to carry the name of the originator.

All submissions to be typed,  
single spaced, on one half of a white  
sheet of paper such as this is.

Honestly, I simply haven't the  
ability or the time to retype -  
i mean it took me two hours to  
type this without many errors!

Also, pls remember that the  
Mad Hatter is an employees' newsletter,  
and students don't receive it, so  
notices to students are not effective  
in this publication unless just once  
so that instructors can tell their  
classes -- and that should really be  
noted on it.

It would really be appreciated,  
and i think the Hatter would look  
better and be more readable if we all  
spent a few more minutes to summarize  
the contents of long notices (partic-  
ularly from outside the college)  
before sending them in to the Hatter,  
and if everyone tried to observe most  
of these guidelines....

keep the submissions coming anyway!

TO All Faculty & Staff

INTER OFFICE MEMO

FROM V. MacBean & A. Huebener  
Social Sciences

RE Memos

DATE Feb 20, 1976

In recognition of our perception that  
there are many potentially creative persons  
at Douglas College who, but for the fact of  
being seduced into an overwhelming number of  
non-essential work hours per week, would  
have otherwise spent their time creatively  
in personally or socially beneficent  
pursuits, the authors of this immodest  
memorandum make the following proposal:  
That, through collectively de-corticated  
bargaining, the college institute an annual  
"Ponn Daughter Award of Outstanding  
Achievement of Literary Memorandum  
Compilation (P.D.A.O.F.A.L.M.C.)."

A committee of the floundering founding  
members will survey non-confidential memoranda  
of the current academic year with the aim of  
achieving a decision for the inaugural  
bestowal to occur during Professional  
Development Days in May. The winner's name  
will be painted in psychedelic colouring on a  
100-watt electric light bulb, the bulb having  
been attached to the top of a mortarboard  
constructed of Douglas tartan.

To capture the quintessence of the  
procedure, the honoured recipient will be  
expected to interpret the symbolism most  
succinctly, and further to make a speech at  
the moment of this breath-taking experience.  
A memorandum highlighting the important  
features of the speech will be circulated to  
all Douglas College employees. This latter  
condition is imposed as a guarantee to the  
other competitors that the bestowee is indeed  
worthy. This award, therefore, is a misguided  
attempt to foster more creative, fantasial  
expository writing in this geometrically  
expanding, regenerative medium- the memo.

Un-yours,

Alrick Huebener &  
Valerie MacBean

## LANDSCAPE ART

---

Any form of LANDSCAPE ART will be eligible, e.g. drawing, painting, batik, weaving, sculpture, photography, etc.

Any student currently enrolled at Douglas College is eligible.

We do not necessarily expect themes and variations on the work of the Group of Seven. But we do hope to encourage artistic explorations of the Canadian landscape. We also seek innovative expressions of the human use of the earth. The world of maps and mapping offers further opportunities for artistic interpretation.

*Entries to be submitted by April 13, 1976.*

All entries to be publicly displayed in the college for one week.  
Award winner to be announced April 23, 1976.

Judging by the geographers and other selected faculty and students, and a guest landscape art enthusiast/critic/artist.

Further details and entry forms available from the Social Sciences secretary, Surrey Campus, Room 602, or from faculty co-ordinator of competition: Doug Nicol, N315.

## SNOW = VACATION?

All this snow makes me think of vacation. A memo went out last week on vacation schedules. According to the Collective Agreement, vacation schedules should be posted by March 1st, so far it appears that only the Print Shop and Health Services are going on vacation this year. (People really are taking the anti-inflation guidelines to heart - no vacations yet!)

## EDUCATION

To date only three people have claimed re-imbursment for credit courses taken during the Fall semester. Remember if you have been employed at Douglas for a year or more, you are entitled to take one free credit course per semester. You can claim re-imbursment by using an Expense Claim Form and providing a copy of your tuition receipt and marks. Send the whole bundle to the Personnel Department and we will enter on your personal file and forward the form for re-imbursment.

, In the meantime, congratulations to:

Ethelyn Metcalfe  
Christina McLeod  
Mary Pat Wasmuth

Devona Davies      Purchasing Clerk  
                         Accounting Clerk I

As a result of organizational changes in the area of Purchasing, Devona Davies who was originally a Receptionist/PBX operator applied and was the successful applicant for the job of Purchasing Clerk to work with Mabel Endacott. Devona came to work originally for the College in July 1972 as a campus receptionist on the New Westminster campus. She was promoted to Purchasing Clerk in October last year. Devona is a graduate of New Westminster Senior Secondary School right here in beautiful down - town New Westminster.

Mabel, a long time employee of Douglas College joined the staff as a Purchasing Clerk in November 1971. Since that time the demands made upon the Purchasing department have grown to the extent that a re-organization was necessary and last year Mabel was promoted to Buyer and the staff was increased by one to include Devona Davies as the Purchasing Clerk.

Mabel at present is a member of the Joint Job Evaluation Committee and Chairperson of the Grievance Committee.
